Lander University

Proviso 117.69 – Fines and Fees Report

Authority

Lander University derives its authority to assess various fines and fees in accordance with the South Carolina Code of Laws, Title 59, Chapters 101, 112 and 135 as well as provisos 117.7, 117.8 and 117.11 of the FY 2023-24 General Appropriations Act. Title 34, Chapter 11 of the South Carolina Code of Laws authorizes a fine for returned checks.

Expenditure Purposes

Categorized as follows

Tuition – Revenue used to support the instruction, research and public service mission of the University. Tuition is collected for the purpose supporting the program needs of the academic units which in turn provide regular course instruction to students. These unrestricted funds comprise the majority of revenue to the University's operating General Fund. Totals include Summer II, Fall, Spring and Summer I semesters. Course Fees represents that portion of the tuition directly related to providing course instruction to the students (see Academic below). Board required General Fees are assessed to each enrolled student regardless of full time or part time status, as applicable, and represents that portion dedicated to covering expenses related to Student Activities, Technology, Athletics, Safety and Security, Transportation, Employment, Library as well as the Health and Wellness Centers. Tuition, presented in this report, is shown in the same manner as the University's audited financial statements (i.e. net of scholarship allowances).

Academic – Revenue derived from various fees assessed by the academic departments that cover expenses unique to instruction associated with that discipline including, but not limited to, supplies and materials.

Other fines & fees – Revenues used to cover direct and indirect expenses associated with administrative processing of records and information. This category includes deferment fees, matriculation fees, graduation fees and library fees and fines.

Orientation – Revenue used to cover direct and indirect expenses associated with freshmen orientation activities and events.

Housing – Revenue used to cover the various costs associated with housing including, but not limited to, salaries and fringe benefits, utilities, insurance, furniture, maintenance and repairs.

Meal Plans – Outsourced operations for the campus. Revenue is used to compensate the contractor for services rendered through contractual arrangements.

Parking – Revenue used to cover the cost of parking services.

Returned Checks – Revenue used to offset the cost of collections associated with accounts receivables.

Transfer of Fines and Fees Revenue

No revenue derived from the University's various fines and fees were transferred to the General Fund of the State, nor to any other entity.
