## Lander University 4-Year Major Guide

120

**Total Hours Required:** 

A student may need to complete prerequisites before enrolling in SPAN 305. (Prerequisites may include SPAN 101, SPAN 102, SPAN 203, and/or SPAN 204.) In this case, the student should meet immediately with a faculty member in Spanish to create a personalized 4-Year Major Guide. Faculty in Spanish are professors Pedro Lopes, Carlos Mentley, Osvaldo Parrilla, and Lauren Corbitt. The following plan is designed for students who place in to SPAN 203

ore Academic Skills (General ducation) ehavioral and Social erspectives (General ducation) umanities and Fine Arts ieneral Education) ore Academic Skills (General ducation) ore Academic Skills (General ducation) ore Academic Skills (General ducation) ore Academic Skills (General ducation) ore Academic Skills (General ducation) Subtotal Semester	Hours 3 3 3 3 3 1 16 Hours		Notes Core Academic Skills (General Education) Behavioral and Social Perspectives (General Education) Scientific and Mathematical Reasoning (General Education) Subtotal Subtotal	Hours 3 3 4 3 3 16 —	<u>Yearly Total</u> → 32

\* Students must earn "C" or better

NOTES:

Program Requirements: SPAN 200-level or above (24 credit hours): SPAN 205, SPAN 215, SPAN 240, SPAN 280, SPAN 320, SPAN 340, SPAN 345, SPAN 350, SPAN 355, SPAN 360, SPAN 365, SPAN 380, SPAN 480, or SPAN 490.

Course Information: Spanish courses with numbers ending in "7" are given in English and do not count toward the Spanish major or minor.

\*\*The World Cultures requirement will be waived for students who spend a semester on an approved study abroad program, but each student must still earn the minimum number of credit hours required for a degree (a total of 120 credit hours).

Study abroad is strongly encouraged but not required for the Spanish major. Lander offers numerous opportunities for a semester. During a semester abroad, students typically earn up to half of the required credit hours for the Spanish major.

General Education: A student must take courses from two different disciplines in the following General Education categories: Behavioral and Social Perspectives; Humanities and Fine Arts; and Scientific and Mathematical Reasoning.
