2024-2025 Degree Candidacy Confirmation

_____

Student's Last Name   **First Name**   **MI**   **Lander ID (L#)**

We have received conflicting information regarding the degree you are pursuing at Lander and need to confirm your plans. It is important that we get the correct answer to this question in order to determine your eligibility for financial aid.

Please review the **COLLEGE PLANS** section of the **FAFSA (Queston #4)** at underline:studentaid.gov for the following and make corrections as needed:

- When the student **begins** the 2024-2025 school year, what will their CURRENT college grade level be at Lander?

- When the student **begins** the 2024-2025 school year at Lander, will they already have their FIRST BACHELOR'S degree (meaning you've **already graduated from a college**)?

If your FAFSA answers ARE correct, mark the answer below that best describes your situation and return this form to our office:

1. ☐ I have already graduated with a bachelor's degree from college and will enroll in a second undergraduate program.

2. ☐ I have already graduated with a bachelor's degree from college and am enrolled as a graduate student.

3. ☐ I will graduate with a bachelor's degree from college and become a graduate student after the Summer of 2024.

4. ☐ I will graduate with a bachelor's degree from college and become a graduate student after the Fall of 2024.

5. ☐ I will graduate with a bachelor's degree from college and become a graduate student after the Spring of 2025.

6. ☐ I will graduate with a bachelor's degree from college and become a graduate student after the Summer of 2025.

7. ☐ I plan to be an undergraduate student at Lander and working on my first bachelor's degree for the entire academic year.

8. ☐ I am **NOT** seeking a degree from Lander University during the 2024-2025 academic year (examples - high school dual enrollment student/transient student/teacher re-certification class, etc).

Certification Statement:
The information above is true and accurate to the best of my knowledge. I understand that answering incorrectly may change my eligibility for financial aid and that I may be required to provide additional documentation to complete my federal aid package. I further understand that the Financial Aid Office will not process my aid any further until I have completed this form.
