This form will show you the student's transcript information from a term you specify to the current date.

Course Level Codes by Person – If a student has taken graduate courses, you may choose to see their graduate or undergraduate transcript by selecting the appropriate code.

Start Term – The system will return all transcript data starting with the term you specify. Remember that terms are formatted as such:

200910 – Fall 2008

200920 – Spring 2009

200930 – Summer 2009
